Tour Itinerary Amman City Tour Full Day Tour (from Amman) :

Your journey begins with a hotel pickup by your private driver, ready to show you the diverse layers of Amman. You will start at the majestic King Abdullah Mosque, a memorial built by the late King Hussein, known for its stunning blue dome and welcoming atmosphere for all visitors.

From there, you will ascend to the Amman Citadel, perched high above the city, offering panoramic views and a chance to walk among the pillars of the Temple of Hercules and the Umayyad Palace. The history continues at the magnificent Roman Amphitheater, a 2nd-century masterpiece that still stands as a testament to the city's ancient glory.

The tour then takes a local turn as you stroll through the authentic downtown markets, followed by a cultural stop at the Archaeological Museum and Darat al Funun. To experience Amman's modern lifestyle, you'll explore the creative vibes of Jabal Al-Weibdeh, the famous Rainbow Street, and the stylish Al-Wakalat Street.

After 8 hours of exploration, your driver will transfer you comfortably back to your hotel. This tour is fully flexible—if you have specific sites in mind that are not listed, we are happy to customize the route for you!
