Tour Itinerary of Eastern Desert Castles, Shaumari Reserve and Azraq Wetlands :

History & Nature: The Eastern Desert Trail from Amman

Embark on a unique adventure that blends the architectural wonders of the Umayyad Caliphate with the surprising biodiversity of Jordan's Eastern Desert.

Your driver will pick you up from your Amman hotel and head north to explore three historic desert castles. First, visit the UNESCO-listed Qusayr Amra, an 8th-century hunting hideaway famous for its stunning, well-preserved frescoes. Next, explore the robust Qasr Kharana, a two-story fortress showcasing a fascinating mix of architectural influences.

The journey then shifts to nature. Near the town of Azraq, you will visit the Shaumari Reserve, a vital breeding center dedicated to reintroducing endangered species to the wild. Enjoy a thrilling safari trip where you may spot the rare Arabian Oryx, Persian onagers, and various gazelles and bustards. Continue to the nearby Azraq Wetlands, an oasis teeming with wildlife and diverse bird species.

The final stop is the black basalt fortress of Qasr al-Azraq. Built as an Umayyad hunting lodge, this fortress is most famously known in modern history as the headquarters of T.E. Lawrence.

After a day filled with history and nature, your driver will comfortably transfer you back to your hotel in Amman.
